BUCHU

COMBINED WITH Bromide of Potassium.

Purchase a Bottle and carefully read directions.

BUCHU IS A STIMULANT, and of itself may fail to effect a cure, but Buchu, when scientifically combined with Bromide of Potassium and other ingredients, produces a sedative effect, and causes a healthy action, thus increasing the powers of digestion, allaying irritation, reducing all unnatural swellings, stopping pain and inflammation, and causing the repairs and nutri-ments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health

and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the re-gion of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula Syphilis, in its many forms, Ulcers, and

CHILLS AND FEVER,

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families sufficient for a cure, and whole families have been cured by a single bottle, with a Southern Express Company perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to oct 12 keep the bowels in good order; should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEG-ETBALE FAMILY PILLS will be sufficient.
